

Task 9

Welcome again, hoping you are doing well.

In this task, we will use a more advanced way for state management (Redux). It's used in bigger and more complicated projects as it's better for scalability.

Resources:

Optional:

- [Redux with JavaScript From 8 to 12](#)

Reading list (for knowledge):

- [Redux-blog](#)

Task:

- Study and apply what is in the videos.

Submission:

- In the previously created repo, GDG-Zag-25, create a folder for this task "Task-{TaskNumber}" - Descriptive Task Name.
- Send **Task-9 Done** to channel called Tasks in discord → Must be the same message don't edit it.

Deadline:

Tuesday, May 6 at 11:59 pm.
